

**2019 AFRC Reunion
Bend, OR
March 13-17, 2019**

With night time temperatures in the mid-20s here in Bend, it's time to make plans for the AFRC reunion XLV.

The festivities begin Wednesday evening, March 13, with a dinner at our hotel The Riverhouse on the Deschutes. Literally, the river is about 50 feet from the dining room. On Friday evening we will have our Gala with Northwest cuisine and a post dinner dance. Our band The Magnets is led by Linc Cannon who served at Chiemsee, B'Gaden ('78 - '84). All other meal will be freestyle, i.e. no host. We will provide a list of good options and potential gathering spots later.

Bend offers many activities beyond downhill skiing; dog sledding, snowshoeing and lots of hiking and biking trails. Hike flat trails through a ponderosa forest or the sage country, or hike up a butte, hike through lava lands or around Smith Rock where you will see world class climbers who migrate there every spring. Surf? Yes I said surf. If you do surf you will really appreciate our hot tub sessions at the end of each day at the hotel.
